

RECTANGLE FLAG ASSEMBLY

Included in the package:

- x1 - Flag pole hardware
- x1 - Carry case
- x1 - Printed flag material

Step 1:

Feed the hooked pole piece through the top of the vertical sleeve.

Step 2:

Pull the flag sleeve up the pole until the bottom of the hooked pole is exposed from the bottom of the sleeve.

Step 3:

Insert the horizontal flag pole piece into the top/horizontal sleeve of the flag.

Step 4:

Push the horizontal piece into the sleeve. At an angle, slide the horizontal pole into the hooked, vertical pole.

Step 5:

Connect the second vertical pole piece to the first from the bottom of the sleeve.

Step 6:

Pull the material back down while ensuring the poles stay connected and secure the bungee to the base of the flag pole as seen on the right.

Thats it! Secure to your choice of base and you have assembled your Surf & Turf Flag!
